DIJELOVI VJEŠALICE / COAT STAND PARTS

GORNJA NOGICA /
UPPER LEG

4 KOM / PCS

DONJA NOGICA /
BOTTOM LEG

4 KOM / PCS

SPOJNICA ZA DRVO /
WOOD CONNECTOR

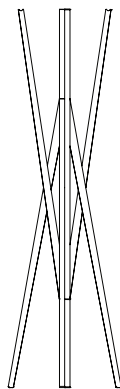

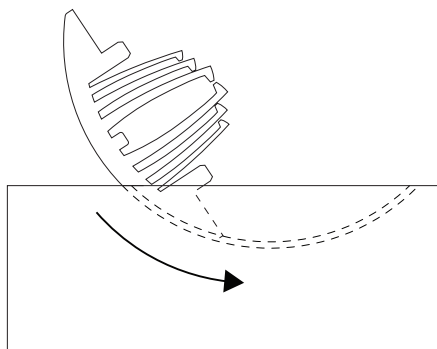

8 KOM / PCS

POSTAVLJANJE SPOJNICA ZA DRVO / INSERTING THE WOOD CONNECTORS

U utore na svim nogicama umetnuti spojnice za drvo.

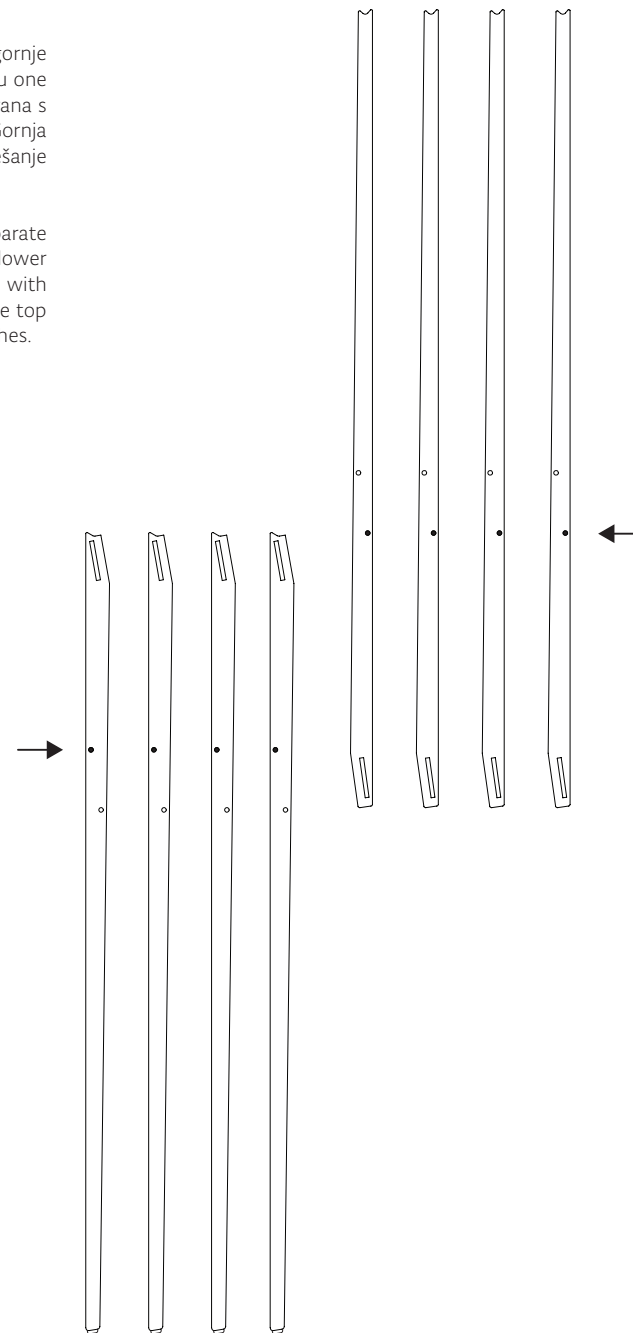

Set the wooden connectors inside the slots of all of the legs.

NOGICE / LEGS

U nogice su postavljene tiple, odvojiti gornje nogice od donjih nogica. Donje nogice su one koje imaju na sebi monitarne klizače. Strana s klizačima u kontaktu je s podom. Gornja nogica na vrhu ima udubljenje za vješanje odjeće.

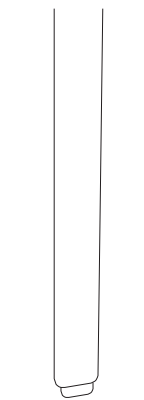

Dowels are placed inside the legs, separate the upper legs from the lower legs. The lower legs are the ones with sliders. The side with the sliders is in contact with the floor. The top leg has a slot at the top for hanging clothes.

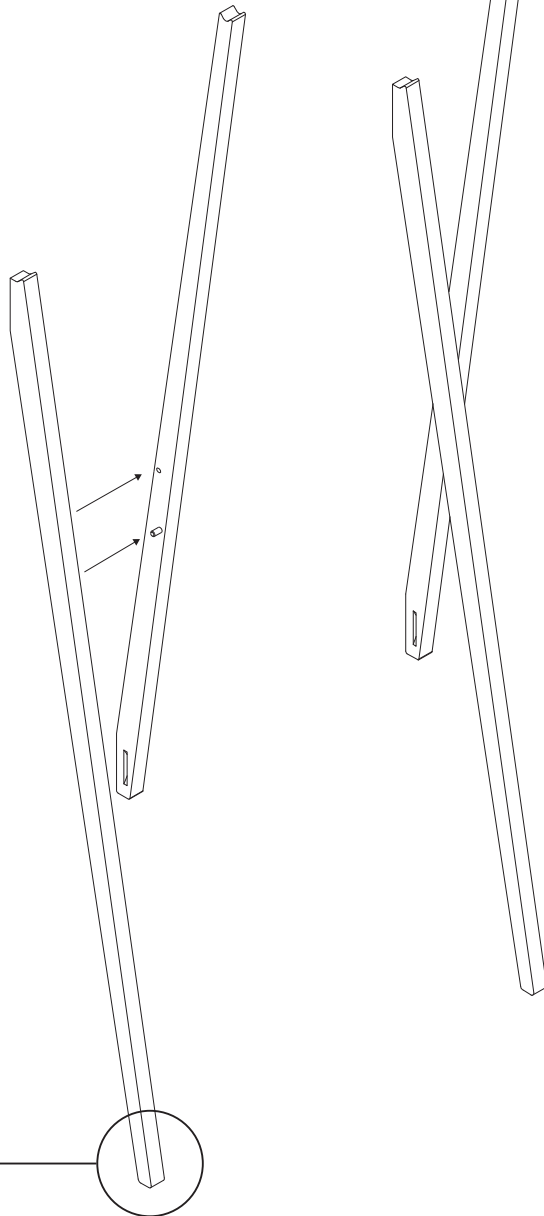

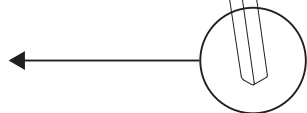

**SPAJANJE NOGICA 1+1 /
CONNECTING THE LEGS 1+1**

Spojiti prvo gornje nogice s donjim nogicama. Donje nogice su one koje imaju na sebi monitarne klizače. Okrenuti noge u poziciju prikazanu na ilustraciji.

First connect the upper legs with the lower legs. The lower legs are the ones with sliders. Turn the legs into the position shown in the illustration.

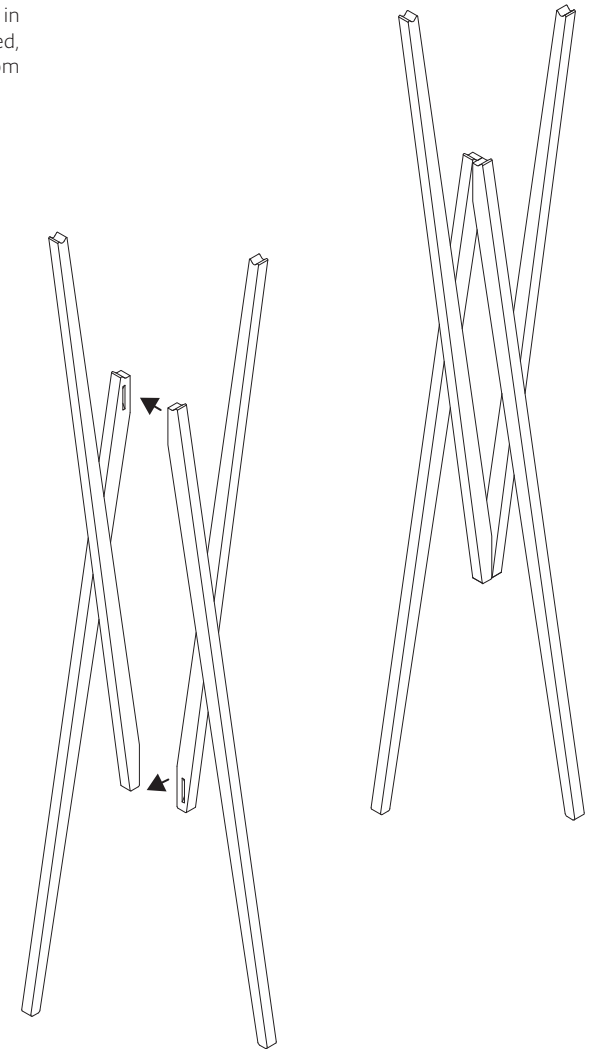

KLIZAČ / SLIDER

**SPAJANJE NOGICA 2+2 /
CONNECTING THE LEGS 2 + 2**

Uzeti par složen od gornje i donje nogice iz prethodnog koraka, spojiti ga s identičnim takvim parom. Namjesiti spojnicu u utor. Polovica konstrukcije sada je učvršćena, potrebno je složiti još jednu identičnu konstrukciju od preostalih nogica.

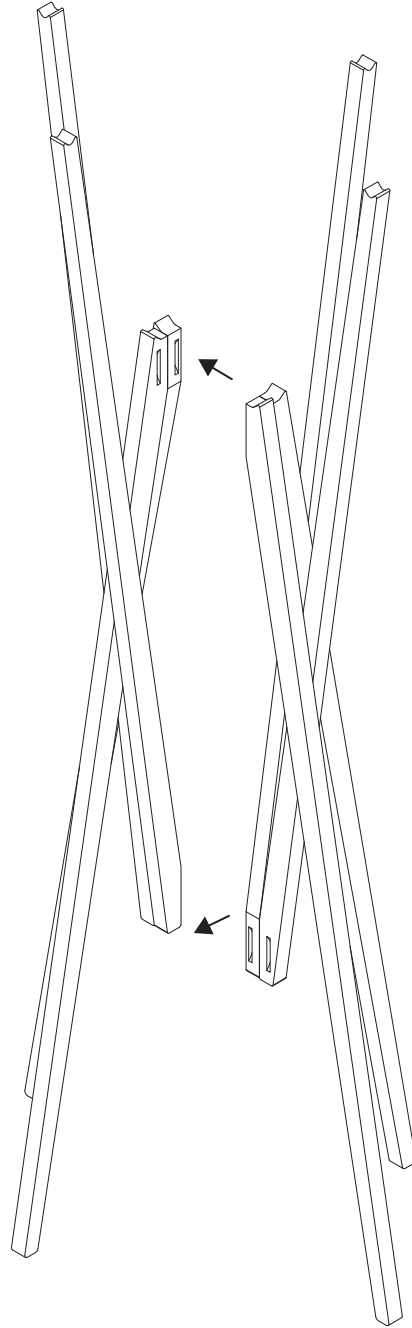

Take a pair composed of the upper and lower legs from the previous step, connect together with an identical such pair. Fit the coupling in the slot. Half of the construction is now fixed, assemble another identical construction from the remaining legs.

**ZAVRŠNO SPAJANJE /
FINAL CONNECTION**

Pozicionirati dvije polovice u utore, pritisnuti i spojiti vješalicu u cjelini.

Set the two half inside the slots, press the stand together.

**MONTIRANA VJEŠALICA /
MOUNTED COAT STAND**

Vješalica je montirana i spremna za korištenje.

Coat stand is assembled and ready for use.
